A couple of helpful hints:

1. Stand up straight
2. Speak clearly and with energy—speak to the last row
 - If you wish to have a copy of the texts emailed to you, contact Tammy in the Church Office 423-2330 or tammy@glcwr.org.
 - The Bulletin will always list the Psalm or the page number on which it is found.
 - Announce the book, chapter, and verse from which you are reading and whether it is the First Lesson, Psalm, or the Second Lesson.

When reading the Psalm, you can choose to read it:

- Responsively by half verse (reader reads up to the * in each verse and the congregation reads to the end of the verse.) or
- Have the congregation read it in unison with you. (Announce your choice of method just as you are about to read the Psalm.)
